

Here is our Fee Schedule – 2024

Our aim here at Bumble Bells is to make childcare as simple as possible, bringing happiness not only to the children but also to the parents that are juggling their work-life balance.

According to the information that you have provide, the fee for your little one's group age will be:

Early Years £8.00 per hour.

Emergency /Ad Hoc basis £9.00 per hour

In order to accommodate parents with specific needs, we are very flexible in terms of hours and days, and able to offer weekend sessions as well.

A non-refundable registration fee of £30 is required to register your child with us, place your children on our waiting list and offer to you an ad hoc basis.

Emergency childcare and Ad-hoc please refer to ad hoc policy.

To secure your place, a refundable deposit of two (02) weeks of sessions contracted is required.

This will be deducted from your final month's fees when your child leaves the Bumble Bells.

Fees must be paid monthly on the 1st day of each month. If your child starts with us mid-month, then an interim payment is required to bring fees in line with the 1st day of the next month.

Full fees will continue to be charged when your child is off sick or on holiday.

As discussed, I do not charge when the setting is closed for holidays, but all bank holidays are paid if your child contracted hours fall on those dates.

In addition, the deposit and registration fee are due before your child starts.

If you have any further queries, please do not hesitate to get in contact with us.
